# Experiences - since 2011

**Founder, CEO – Blossom Group of Hospitals**

Provides visionary leadership, aligning the hospital's mission and strategic direction with community healthcare needs and organizational values.

**Leads strategic planning to drive hospital growth, including expansion, service diversification, and quality improvement initiatives.**

**Manages resource allocation across financial, human, and infrastructural domains to optimize operational efficiency.**

**Cultivates relationships with stakeholders, including healthcare professionals, patients, government entities, and benefactors, to advance the hospital's mission.**

### **COVID-19 Healthcare Center**

Led the establishment of a COVID-19 Healthcare Center in collaboration with BBMP, offering free treatment to over 5000 patients. This initiative demonstrates a strong commitment to public health and community welfare.

### **WellBe Digital Health**

Spearheaded an initiative to integrate point-of-care laboratory services with AI technologies, reducing turnaround time from 48 hours to 6 hours across 140 ESIC Dispensaries in Karnataka.

### **Apollo Clinic Partnership**

Orchestrated a strategic partnership with Apollo Clinic to expand healthcare services across Bengaluru, combining strategic foresight with operational expertise to enhance healthcare accessibility and quality.

### **Preventive Health Check-Ups:**

Conducted over 3 million preventive health check-ups using advanced digital health equipment and AI-driven diagnostics, emphasizing proactive healthcare management and early intervention

# Service Motive

Dr. Chandan Dash is driven by a profound service motive that transcends conventional healthcare delivery. His dedication to improving community health is evident in his numerous initiatives aimed at increasing healthcare accessibility and quality for all, especially underserved populations. Dr. Dash believes that healthcare is a fundamental right and strives to ensure that every individual, regardless of their socio-economic status, has access to essential medical services. This commitment to service is reflected in his proactive efforts to implement innovative healthcare solutions, foster community partnerships, and lead philanthropic projects that make a tangible difference in people's lives.
